

Karen,

We cannot even begin to thank you and the staff at Wahl Tents enough. You helped make our wedding day truly special. Through all the constant changes and last second emergencies, you stayed professional and courteous. It was truly a pleasure working with you!!

Thank you again to everyone there, including the set-up crew who were all entertaining, funny and a joy to get to know. May God bless you all... you and your families.

Rena, Tim &

Aaron
