Dear Tim and Marci,

Thank you so much for helping to make our **Twelfth Annual Racing For Kids to the Hill 2018** such a great success. We really appreciate your donation of the 10% off the entire invoice for our event. The party guests really enjoyed the tents, set up and lights, they definitely added to the exciting experience of the evening.

Stephanie was again a pleasure to work with as well as Bryan and the crew. Chandler was extremely helpful and hard working and really did a great job managing a tired crew. This year is the record for set up time. Great job!

Most of the funds raised through this event will remain in the metro Detroit community through donations to child health care programs including the St. John Providence, Children's Hospital of Michigan Foundation, Beaumont Hospital Grosse Pointe and Henry Ford Health System. These funds will also help support our yearlong program of visiting hospitalized children across the country and help to continue our new Radio Flyer Wagon/IV program.

On behalf of the Racing For Kids team, our honored "**Courageous Kids**" and all the sick children we serve, a heartfelt **THANK YOU!** We hope you will continue to be a part of the action as we begin planning our **Thirteenth Annual Racing For Kids to the Hill Event, Wednesday, August 28, 2019.**

Sincerely,

J. Patrick Wright
